

## Ripon and Lower Dales Circuit

Living God  
May this circuit be blessed by prophets  
who see a hope filled path,  
where success is  
about bringing God's love  
not about numbers or money.  
and justice soars above  
the towns and villages  
farms and moors as an eagle.

May this circuit be blessed  
with imagination,  
where men and women  
see visions of transformation  
and young and old  
make plans to reach out to all.

May this circuit inspire your people  
to live boldly  
so that through our service,  
and our love  
your Gospel will broadcast  
Amen.
