

Prayer Space 1

Out of the generous love you pour upon us,
and the hope you hold before us, and the faith that you inspire in us, we offer you our
prayers for others.

We pray for a world battered by human greed, and desperate to be cared for....
for communities shattered by war and violence, and longing for peace.
We pray for peoples of the world, for the leaders of all nations that justice, freedom
and peace may be for all

Father, by your Spirit, bring in your Kingdom.

We pray for people suffering in body, mind and spirit, and seeking wholeness.
We think of those who mourn, for those we know with particular needs, and hope for
the assurance of your comfort....

Father, by your Spirit, bring in your Kingdom.

We pray for Your church throughout the world, to reach out beyond ourselves, sharing
what we have with others, to stretch our capabilities, increasing our sense of purpose,
our sense of Your presence, giving heed to your call....

Father, by your Spirit, bring in your Kingdom

Out of the generous love you pour upon us,
and the hope you hold before us, and the faith that you inspire in us, we offer you our
prayers for others.

As we come to the end of this prayer time, we pray for ourselves, in our need, and our
longing to obey, and to love you with all our heart, soul and mind. In the name of our
Lord and Saviour, Jesus Christ we ask all these prayers.

Amen
