SLEEP OUT 4 HOMELESSNESS

Everyone should have a home

Due to Covid we can't meet for this year's Sleepout For Homelessness, instead we invite you to join us camping out in your own garden for one night.

Tents, sleeping bags, warm clothing & dogs are allowed!

This year we are raising funds for SASH & CARECENT, two fabulous charities who help to prevent youth homelessness & provide warm food & clothing for rough sleepers respectively.

Want to join in?

Simply pitch your tent in your garden & ask your family & friends to sponsor you.

If you would like to donate just click on the link below.

No garden?

Maybe you could find an unusual place to sleep in your home? What about making a den with your children in the lounge?

JOINING IN? WE'D LOVE TO HEAR FROM YOU!
