The Mission & Ministries Team

Would like to thank all those who supported last Saturday's fund-raising event for the **Leprosy Mission when through your generosity and kindness a wonderful **£925** was given to support such a worthy cause.**

Thank you for your donation!

Your donation has been received. Thank you for your donation. The money you've given today will help us to transform the lives of people across the world and one day create a world where no one is at risk of being diagnosed with leprosy ever again.
Thank you.
