

Prayer space 3

A moment of quiet...

Lord God, source of life,
we rejoice that through the power of your love we are alive;
breathing, thinking, feeling creatures, made in your likeness
and for your glory.

Lord God, source of life, recognizing that our life exists through your desire.
we thank you and praise you and glorify you.

Be still and know that I am God.
Be still and know that I am God.
Be still and know that I am God.

I am the Lord who saves and heals.
I am the Lord who saves and heals.
I am the Lord who saves and heals.

Silence

Lord, it is always your will to bring us closer to you.
We ask that your love will enfold, soothe, support and comfort all who are ill or in pain.

A time of prayer

Lord, it is always your will to bring us closer to you.
We ask that your love will enfold, soothe, support and comfort all who are lonely, anxious or
depressed and all who are brought low by the trials of this life. We ask you to be close to
those in distress and struggling with illness.

A time of prayer

Lord, it is always your will to bring us closer to you

We ask that your love will enfold, soothe, support and comfort whatever is broken by human sin, in our lives, in our nation, and in the world

A time of prayer

All praise and thanks be to our God who loves us!

All praise and thanks be to our God, to the Lord who saves us, Alleluia!

Be still and know that I am God.

Be still and know that I am God.

Be still and know that I am God.

In you, O Lord, I put my trust.

In you, O Lord, I put my trust.

In you, O Lord, I put my trust.
